[•], 2024

To the Stockholders of Eyenovia, Inc.:

Notice is hereby given that the Annual Meeting of Stockholders (the “Annual Meeting”) of Eyenovia, Inc. (the “Company”) will be held on June 12, 2024. The virtual meeting will enable greater stockholder attendance and greater participation from any location around the world, improves meeting efficiency and our ability to communicate effectively with our stockholders, and reduces the cost and environmental impact of our annual meeting. You may attend the Annual Meeting online at the following website address: www.virtualshareholdermeeting.com/EYEN2024 and by entering the 16-digit control number included on your Notice of Internet Availability of Proxy Materials, your proxy card or in the instructions that accompanied your proxy materials. The Annual Meeting will begin at approximately 10:00 AM EDT, with login beginning at 9:45 AM EDT, via a live webcast on the Internet.

The Annual Meeting is called for the following purposes:

1. To elect the seven directors named in the accompanying proxy statement (the “Proxy Statement”) for one-year terms expiring in 2025 or until their successors have been elected and qualified (“Proposal 1”);
2. To ratify the appointment of Marcum LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2024 by the audit committee of the Company’s Board of Directors (the “Board of Directors” or the “Board”) (“Proposal 2”);
3. To approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the Proxy Statement (“Proposal 3”);
4. To indicate, on an advisory basis, the preferred frequency of future stockholder advisory votes on the compensation of our named executive officers (“Proposal 4”);
5. To approve an amendment to the Company’s Third Amended and Restated Certificate of Incorporation, as amended, in substantially the form attached to the Proxy Statement as Annex A, to, at the discretion of the Board, increase the number of shares of common stock authorized for issuance thereunder from 90,000,000 shares to 300,000,000 shares (“Proposal 5”);
6. To approve a proposal to adjourn the Annual Meeting to a later date, if necessary or appropriate, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of Proposal 5 (“Proposal 6”); and
7. To consider and take action upon such other matters as may properly come before the meeting or any adjournment or postponement thereof.

These matters are more fully described in the Proxy Statement accompanying this Notice. If you were a stockholder of record of Eyenovia common stock as of the close of business on April 16, 2024, you are entitled to receive this Notice and vote at the Annual Meeting and any adjournments or postponements thereof, provided that our Board of Directors may fix a new record date for an adjourned meeting. Our stock transfer books will not be closed. A list of the stockholders entitled to vote at the meeting may be

examined at our principal executive offices in New York, NY during ordinary business hours for the 10-day period preceding the meeting for any purposes related to the meeting. The stockholder list will also be available to stockholders during the meeting at the Annual Meeting website.

We are pleased to take advantage of the U.S. Securities and Exchange Commission rules that allow us to furnish these proxy materials (including an electronic Proxy Card for the meeting) and our 2023 Annual Report to Stockholders (including our 2023 Annual Report on Form 10-K) to stockholders via the Internet. On or about [•], 2024, we will mail to our stockholders of record a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and 2023 Annual Report to Stockholders and how to vote. We believe that posting these materials on the Internet enables us to provide stockholders with the information they need to vote more quickly, while lowering the cost and reducing the environmental impact of printing and delivering annual meeting materials.

You are cordially invited to virtually attend the Annual Meeting. Whether or not you expect to virtually attend, our Board of Directors respectfully requests that you vote your stock in the manner described in the Proxy Statement. You may revoke your proxy in the manner described in the Proxy Statement at any time before it has been voted at the meeting.

By Order of the Board of Directors of Eyenovia, Inc.,

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD JUNE 12, 2024

INFORMATION CONCERNING SOLICITATION AND VOTING

This proxy statement (the “Proxy Statement”), along with the accompanying notice of the 2024 annual meeting of stockholders (the “Annual Meeting”), is furnished to the holders of our common stock in connection with the solicitation of proxies on behalf of our Board of Directors for use at the Annual Meeting to be held virtually on June 12, 2024 at 10:00 AM EDT at the following website address: www.virtualshareholdermeeting.com/EYEN2024, or for use at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. Only stockholders of record at the close of business on April 16, 2024 are entitled to notice of and to vote at the meeting. In this Proxy Statement, we refer to Eyenovia, Inc. as “Eyenovia,” “Company,” “we” and “us.”

In accordance with the rules of the U.S. Securities and Exchange Commission (the “SEC”), instead of mailing a printed copy of our proxy materials to each stockholder of record, we are furnishing proxy materials, including the Notice of Internet Availability of Proxy Materials (“Notice”), this Proxy Statement, our 2023 Annual Report to Stockholders, including financial statements, and a Proxy Card for the meeting, by providing access to them on the Internet to save printing costs and benefit the environment. These materials were first available on the Internet on [•], 2024. We will begin mailing a Notice on or about [•], 2024 to our stockholders of record and beneficial owners as of the close of business on April 16, 2024, the record date for the meeting. This Proxy Statement and the Notice contain instructions for accessing and reviewing our proxy materials on the Internet and for voting by proxy over the Internet. You will need to obtain your own Internet access if you choose to access the proxy materials and/or vote over the Internet. If you prefer to receive printed copies of our proxy materials, the Notice contains instructions on how to request the materials by mail. You will not receive printed copies of the proxy materials unless you request them. If you elect to receive the materials by mail, you may also vote by proxy on the Proxy Card or Voter Instruction Card that you will receive in response to your request.

Each holder of our common stock is entitled to one vote for each share held as of the record date with respect to all matters that may be considered at the meeting. Stockholder votes will be tabulated by persons appointed by our Board of Directors to act as inspectors of election for the meeting.

We bear the expense of soliciting proxies. Our directors, officers, and employees may also solicit proxies personally or by telephone, facsimile, or other means of communication. We do not intend to pay additional compensation for doing so. In addition, we might reimburse banks, brokerage firms, and other custodians, nominees, and fiduciaries representing beneficial owners of our common stock for their expenses in forwarding soliciting materials to those beneficial owners.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Q: Who may vote at the meeting?

A: Our Board of Directors has set April 16, 2024 as the record date for the Annual Meeting. If you owned shares of our common stock at the close of business on April 16, 2024, you may virtually attend and vote at the meeting. Each stockholder is entitled to one vote for each share of common stock held on all matters to be voted on. As of the close of business on April 16, 2024, there were 50,957,869 shares of our common stock outstanding and entitled to vote at the meeting.

Q: Why are we having a virtual only meeting?

A: The Annual Meeting will be held in a virtual meeting format only. We have designed our virtual format to enhance, rather than constrain, stockholder access, participation and communication. For example, the virtual format allows stockholders to communicate with us in advance of, and during, the Annual Meeting so they can ask questions of our board of directors or management, as time permits.

Q: How do I attend the meeting?

A: We will host the Annual Meeting live via the Internet. You will not be able to attend the meeting in person. Participation in and attendance at the Annual Meeting is limited to stockholders as of the close of business on April 16, 2024. Such stockholders can listen to and participate in the Annual Meeting live via the Internet at www.virtualshareholdermeeting.com/EYEN2024. The webcast will begin at 10:00 AM EDT, on June 12, 2024. Online access will begin at 9:45 AM EDT, and we encourage you to access the Annual Meeting prior to the start time.

A list of the stockholders entitled to vote at the Annual Meeting may be examined at our principal executive offices in New York, NY during ordinary business hours for the 10-day period preceding the meeting for any purposes related to the meeting. The stockholder list will also be available to stockholders during the meeting at the Annual Meeting website.

To participate in the Annual Meeting, you will need the 16-digit control number found on your Notice, your proxy card or the instructions that accompany your proxy materials. If your shares are held in the name of a bank, broker or other holder of record, you should follow the instructions provided by your bank, broker or other holder of record to be able to participate in the Annual Meeting. If you encounter difficulties accessing the virtual meeting, please call the technical support number 844-976-9738 (US) or 303-562-9301 (International). Additional information regarding the ability of stockholders to ask questions during the Annual Meeting, related rules of conduct and other materials for the Annual Meeting will be available at www.virtualshareholdermeeting.com/EYEN2024.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If your shares are registered directly in your name with our transfer agent, Equiniti Trust Company, LLC, you are considered, with respect to those shares, a stockholder of record. As a stockholder of record, you have the right to virtually attend and vote at the meeting. To participate in the Annual Meeting, you will need the 16-digit control number found on your Notice, your proxy card or the instructions that accompany your proxy materials.

If your shares are held in a brokerage account, bank, or by another nominee or trustee, you are considered the beneficial owner of shares held in street name. In that case, the Notice or proxy materials have been forwarded to you by your broker, bank, or other holder of record who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank, or other holder of record on how to vote your shares by using the voting instructions included in the Notice or proxy materials. You also are invited to virtually attend and vote at the Annual Meeting, and should follow the instructions provided by your bank, broker or other holder of record to be able to participate in the Annual Meeting.

Q: What is the quorum requirement for the meeting?

A: A majority of our outstanding shares of capital stock entitled to vote as of the record date must be present virtually at the Annual Meeting in order for us to hold the meeting and conduct business. This is called a quorum. Your shares will be counted as present at the meeting if you:

- Are present virtually and entitled to vote at the meeting;
- Properly submitted a Proxy Card or Voter Instruction Card; or
- Do not provide your broker with instructions on how to vote, but the broker submits your proxy nonetheless (a broker non-vote).

If you are present virtually or by proxy at the Annual Meeting, but withhold your vote or abstain from voting on any or all proposals, your shares are still counted as present and entitled to vote. Broker non-votes are also counted for purposes of determining whether a quorum exists. Broker non-votes occur when a person holding shares in street name, such as through a brokerage firm, does not provide instructions as to how to vote those shares, but the broker submits that person's proxy nonetheless.

Proposals 1, 3 and 4 (as defined below) are proposals for which brokers do not have discretionary voting authority. If you do not instruct your broker how to vote with respect to these proposals, your broker may not vote with respect to these proposals and those non-votes will be counted as "broker non-votes." Proposals 2, 5 and 6 (as defined below) are considered to be discretionary, and your brokerage firm will be able to vote on these proposals even if it does not receive instructions from you, so long as it holds your shares in its name.

Q: What proposals will be voted on at the meeting?

A: The six proposals to be voted on at the Annual Meeting are as follows:

1. To elect the seven directors named in the Proxy Statement for one-year terms expiring in 2025 or until their successors have been elected and qualified ("Proposal 1");
2. To ratify the appointment of Marcum LLP ("Marcum") as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2024 by the audit committee (the "Audit Committee") of the Company's Board of Directors (the "Board") ("Proposal 2");
3. To approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the Proxy Statement ("Proposal 3");
4. To indicate, on an advisory basis, the preferred frequency of future stockholder advisory votes on the compensation of our named executive officers ("Proposal 4");
5. To approve an amendment to the Company's Third Amended and Restated Certificate of Incorporation, as amended (the "Charter"), in substantially the form attached to the Proxy Statement as Annex A, to, at the discretion of the Board, increase the number of shares of common stock authorized for issuance thereunder from 90,000,000 shares to 300,000,000 shares ("Proposal 5"); and
6. To approve a proposal to adjourn the Annual Meeting to a later date, if necessary or appropriate, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of Proposal 5 ("Proposal 6").

We will also consider any other business that properly comes before the Annual Meeting. As of the record date, we are not aware of any other matters to be submitted for consideration at the meeting. If any other matters are properly brought before the meeting, the proxy named in the Proxy Card or Voter Instruction Card will vote the shares it represents using its best judgment.

Q: What Vote is Required to Approve Each Proposal and How are Votes Counted?

A: The following table summarizes the minimum vote needed to approve each proposal and the effect of abstentions and broker non-votes.

Proposal No.	Proposal Description	Vote Required for Approval	Effect of Abstentions	Effect of Broker Non-Votes
1	Election of directors	Directors will be elected by a plurality of the votes cast by the holders of shares present or represented by proxy and entitled to vote on the election of directors. The seven nominees receiving the most “For” votes will be elected as directors.	No effect	No effect
2	Ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2024	“For” votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter.	Against	Not Applicable ⁽¹⁾
3	Approval, on an advisory basis, of the compensation of our named executive officers	“For” votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter.	Against	No effect
4	Indicate, on an advisory basis, the preferred frequency of future stockholder advisory votes on the compensation of our named executive officers	The frequency receiving the highest number of votes from the holders of shares present in person or represented by proxy and entitled to vote on the matter will be considered the frequency preferred by the stockholders.	No effect	No effect
5	Authorized stock increase	“For” votes from the holders of a majority of the votes cast affirmatively or negatively on this proposal at the Annual Meeting.	No effect	Not Applicable ⁽¹⁾
6	Adjournment	“For” votes from the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter.	Against	Not Applicable ⁽¹⁾

(1) Under applicable exchange rules, this proposal is considered to be a “routine” matter. Accordingly, if you hold your shares in street name and do not provide voting instructions to your broker, bank or agent that holds your shares, your broker, bank or other such agent has discretionary authority to vote your shares on this proposal. Any failure by a broker, bank or other agent to vote a share over which it exercises discretion will have the same effect as a vote against the proposal.

Q: Can I access these proxy materials on the Internet?

A: Yes. The Notice of Annual Meeting, Proxy Statement, and 2023 Annual Report to Stockholders (including the 2023 Annual Report on Form 10-K) are available for viewing, printing, and downloading at www.proxyvote.com. Our Annual Report on Form 10-K for the year ended December 31, 2023 is also available under the *Investors — Financials — SEC Filings* section of our website at www.eyenovia.com and through the SEC's EDGAR system at <http://www.sec.gov>. All materials will remain posted on www.proxyvote.com at least until the conclusion of the meeting. None of the information on or that can be accessed through our website is incorporated by reference in this Proxy Statement.

Q: How may I vote my shares at the virtual meeting?

A: If your shares are registered directly in your name with our transfer agent, Equiniti Trust Company, LLC, you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to virtually attend and vote at the meeting. To participate in the Annual Meeting, you will need the 16-digit control number found on your Notice, your proxy card or the instructions that accompany your proxy materials. To vote at the Annual Meeting, please follow the instructions that will be available on the Annual Meeting website during the Annual Meeting.

If your shares are held in a brokerage account, bank, or by another nominee or trustee, you are considered the beneficial owner of shares held in street name. As the beneficial owner, you are also invited to virtually attend and vote at the Annual Meeting, and should follow the instructions provided by your bank, broker or other holder of record to be able to participate in the Annual Meeting.

Q: How can I vote my shares without virtually attending the meeting?

A: If your common stock is held by a broker, bank, nominee, or trustee, they should send you instructions that you must follow in order to have your shares voted.

If you hold shares in your own name, you may vote by proxy in any one of the following ways:

- Via the Internet by accessing the proxy materials on the secured website www.proxyvote.com and following the voting instructions on that website;
- Via telephone by calling toll free 1-800-690-6903 and following the recorded instructions; or
- By requesting that printed copies of the proxy materials be mailed to you pursuant to the instructions provided in the Notice and completing, dating, signing, and returning the Proxy Card that you receive in response to your request.

The Internet and telephone voting procedures are designed to authenticate stockholders' identities by use of a control number to allow stockholders to vote their shares and to confirm that stockholders' instructions have been properly recorded. Voting via the Internet or telephone must be completed by 11:59 PM EDT on June 11, 2024. Of course, you can always virtually attend the Annual Meeting and vote your shares. If you submit or return a Proxy Card without giving specific voting instructions, your shares will be voted as recommended by our Board, as permitted by law.

Q: How can I change my vote after submitting it?

A: If you are a stockholder of record, you can revoke your proxy before your shares are voted at the meeting by:

- Filing a written notice of revocation bearing a later date than the proxy with our Corporate Secretary at 295 Madison Avenue, Suite 2400, New York, NY 10017 at or before the taking of the vote at the meeting;
- Duly executing a later-dated proxy relating to the same shares and delivering it to our Corporate Secretary at 295 Madison Avenue, Suite 2400, New York, NY 10017 at or before the taking of the vote at the meeting;
- Virtually attending the meeting and voting at the virtual meeting (although virtual attendance at the meeting will not in and of itself constitute a revocation of a proxy); or

- If you voted by telephone or via the Internet, voting again by the same means prior to 11:59 PM EDT on June 11, 2024.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your broker, bank, or other holder of record. You may also vote at the virtual meeting by following the instructions provided by your bank, broker or other holder of record to participate in the Annual Meeting.

Q: Where can I find the voting results of the meeting?

A: We plan to announce the preliminary voting results at the Annual Meeting. We will publish the results in a Form 8-K filed with the SEC within four business days after the meeting.

Q: For how long can I access the proxy materials on the Internet?

A: The Notice of Annual Meeting and Proxy Statement, 2023 Annual Report to Stockholders, and Annual Report on Form 10-K for the fiscal year ended December 31, 2023 are also available, free of charge, in PDF and HTML format under the *Investors — Financials — Annual Meeting Materials* section of our website at www.eyenovia.com and will remain posted on this website at least until the conclusion of the meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

Nominees

Our Board of Directors currently consists of seven members, each of whom serve for a one-year term or until a successor has been elected and qualified.

If you are a stockholder of record, unless you mark your proxy card to withhold authority to vote, the proxy holder will vote the proxies received by it for the director nominees named below, each of whom is currently a director and each of whom has consented to be named in this Proxy Statement and to serve if elected. In the event that any nominee is unable or declines to serve as a director at the time of the meeting, your proxy will be voted for any nominee designated by our Board to fill the vacancy. We do not expect that any of the nominees will be unable or will decline to serve as a director. If you are a beneficial owner of shares held in street name and you do not provide your broker with voting instructions, your broker may not vote your shares on the election of directors. Therefore, it is important that you vote.

Required Vote

Provided there is a quorum for the meeting, the director nominees receiving the highest number of affirmative votes of our common stock present or represented and entitled to be voted for them shall be elected as directors. Votes withheld will have no legal effect on the election of directors. Under applicable exchange rules, brokers are not permitted to vote shares held for a customer on “non-routine” matters without specific instructions from the customer. As such, broker non-votes will have no effect on the outcome of Proposal 1.

Our Board of Directors unanimously recommends that stockholders vote FOR all the director nominees listed above.

**PROPOSAL 2: RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Board of Directors, including its Audit Committee, has selected and appointed Marcum as the Company's independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2024, and recommends that stockholders vote for the ratification of such appointment. Marcum has audited our financial statements annually since 2017. Marcum has advised us that it does not have, and has not had, any direct or indirect financial interest in the Company that impairs its independence under SEC rules. Notwithstanding the selection, the Audit Committee, in its discretion, may appoint a different independent registered public accounting firm at any time if it believes that doing so would be in the Company's best interests and the best interests of our stockholders. In the event of a negative vote on ratification, the Audit Committee will reconsider, but might not change, its selection.

Representatives of Marcum are expected to be present virtually at the Annual Meeting with the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Required Vote

Provided there is a quorum for the meeting, ratification of the appointment of Marcum as the Company's independent registered public accounting firm requires the affirmative vote of the holders of a majority of the shares represented at the meeting which are entitled to vote on the proposal. Abstentions will have the same effect as a vote against this proposal. Because the ratification of the appointment of Marcum is considered a "routine" matter on which brokers may vote without specific instructions from the customer, no broker non-votes are expected in connection with this proposal.

Our Board of Directors unanimously recommends that stockholders vote FOR the ratification of the appointment of Marcum as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2024.

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), our stockholders are entitled to vote to approve, on an advisory basis, not less frequently than once every three years, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC’s rules, commonly referred to as a “say-on-pay vote.” Accordingly, we are asking the stockholders to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement.

This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. The compensation of our named executive officers is disclosed in the section titled “Executive Compensation” below, including the tabular and narrative disclosures set forth in such section under the same heading. We believe that our compensation policies and decisions are focused on pay-for-performance principles and strongly aligned with our stockholders’ interests. Compensation of our named executive officers is designed to enable us to attract and retain talented and experienced executives, whose knowledge, skills and performance are critical to our success, and motivate these executive officers to achieve our business objectives and to lead us in a competitive environment.

We are asking our stockholders to indicate their support for the compensation of our named executive officers as described in this Proxy Statement by casting a non-binding advisory vote “FOR” the following resolution:

“RESOLVED, that the stockholders hereby approve, on an advisory basis, the compensation of the “named executive officers” of Eyenovia, Inc., as disclosed in the section titled “Executive Compensation” in the proxy statement for the Eyenovia, Inc. 2024 Annual Meeting of stockholders pursuant to the compensation disclosure rules of the SEC, including the compensation tables and narrative discussion.”

Required Vote

The affirmative vote of the holders of a majority of the shares deemed present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to approve, on an advisory basis, the compensation of our named executive officers as described herein. Because the vote is advisory, it will not be binding on us, the Board or the Board’s compensation committee (the “Compensation Committee”). Nevertheless, the views expressed by our stockholders, whether through this vote or otherwise, are important to us and, accordingly, the Board and our Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements. Under applicable exchange rules, brokers are not permitted to vote shares held for a customer on “non-routine” matters without specific instructions from the customer. As such, broker non-votes will have no effect on the outcome of Proposal 3. Abstentions will be counted toward the vote total for Proposal 3 and will have the same effect as “AGAINST” votes.

Our Board of Directors unanimously recommends that stockholders vote “FOR” the proposal to approve, on an advisory basis, the compensation of our named executive officers, as described in this Proxy Statement.

PROPOSAL 4:
**ADVISORY VOTE ON THE PREFERRED FREQUENCY OF FUTURE STOCKHOLDER ADVISORY
 VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

In accordance with Section 14A of the Exchange Act, we are providing stockholders with the opportunity to cast an advisory vote regarding the frequency of future advisory votes on executive compensation, commonly known as a “say-on-frequency” vote. Stockholders may vote on whether the advisory say-on-pay vote should occur every one year, every two years or every three years.

Since losing our emerging growth company status on December 31, 2023, we are required to hold an advisory say-on-frequency vote every six years. This is the first time the Company’s stockholders are being provided with the opportunity to vote on the frequency of “say-on-pay” votes.

Although we recognize the potential benefits of having less frequent advisory votes on executive compensation (including allowing the Company additional time to conduct a more detailed review of its pay practices in response to the outcome of stockholder advisory votes), we recognize that the widely adopted standard is to hold say-on-pay votes annually. We also acknowledge current stockholders’ expectations regarding having the opportunity to express their views on the Company’s compensation of its executive officers on an annual basis. In light of investor expectations and prevailing market practice, the Board recommends that the advisory say-on-pay vote occur every one year.

The proxy card provides for four choices and shareholders are entitled to vote on whether the advisory vote on executive compensation should be held every one year, every two years or every three years, or to abstain from voting.

The result of this advisory vote is not binding on the Company or the Board and will not be construed as overruling a decision by, or creating or implying any additional fiduciary duty for, the Company, the Board or the Compensation Committee. However, the Board values the opinions that stockholders express in their votes and will consider the outcome of the vote and stockholders’ feedback when deciding how frequently to conduct the advisory say-on-pay vote. Notwithstanding the Board’s recommendation and the outcome of the stockholders vote, the Board may in the future decide to conduct say-on-pay votes on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to the Company’s executive compensation programs.

Required Vote

Stockholders may cast their vote on the preferred voting frequency by choosing the option of one year, two years, three years or abstain from voting when voting on this proposal. The option of one year, two years or three years that receives the greatest number of votes cast by stockholders will be considered the frequency for the advisory vote on executive compensation that has been recommended by stockholders, even if that alternative does not receive a majority of votes cast. However, because this vote is advisory and not binding on the Board or the Company in any way, the Board may decide that it is in the best interests of the Company and its stockholders to hold an advisory vote on executive compensation more or less frequently than the option approved by the Company’s stockholders. Under applicable exchange rules, brokers are not permitted to vote shares held for a customer on “non-routine” matters without specific instructions from the customer. As such, broker non-votes will have no effect on the outcome of Proposal 4. Abstentions will have no effect on Proposal 4.

Our Board of Directors unanimously recommends that stockholders vote for the frequency of every “ONE” year as the frequency preferred by stockholders for the future solicitation of advisory stockholder approval of the compensation paid to our named executive officers.

PROPOSAL 5:
APPROVAL OF THE CERTIFICATE OF AMENDMENT TO
OUR CHARTER TO INCREASE THE NUMBER OF
SHARES OF OUR AUTHORIZED COMMON STOCK

Overview

On April 23, 2024, our Board unanimously approved and recommended that our stockholders approve an amendment to our Charter to, at the discretion of the Board, increase the number of authorized shares of our common stock from 90,000,000 shares of common stock to 300,000,000 shares of common stock within one year after the conclusion of the Annual Meeting. The number of shares of preferred stock authorized for issuance would remain the same, at 6,000,000 shares of preferred stock, and would not be impacted by the increase in the authorized shares of capital stock or common stock, if approved by our stockholders. As of the record date, there were 50,957,869 shares of common stock issued and outstanding, no shares of common stock held as treasury stock, no shares of preferred stock issued or outstanding and 20,856,851 shares of our common stock reserved for issuance in connection with the following:

- the exercise of outstanding warrants to purchase 10,926,554 shares of common stock;
- 2,327,747 shares of our common stock issuable upon conversion of outstanding convertible notes;
- the exercise and/or vesting of outstanding awards in the aggregate amount of 5,548,141 shares of common stock under our 2014 Equity Incentive Plan, as amended, and our Amended and Restated 2018 Omnibus Stock Incentive Plan, as amended (together, the “Equity Plans”); and
- the granting of future awards in the aggregate amount of 2,054,409 shares of common stock under our Equity Plans.

As of the record date, 18,185,280 authorized shares of common stock remained available for future issuance. Accordingly, our Board unanimously determined it was advisable and in the best interest of the stockholders and the Company to amend our Charter to increase the number of authorized shares of common stock (the “Share Increase”) and directed that it be submitted for approval by the stockholders at the Annual Meeting in light of the time and expense that would otherwise be required to convene a special meeting for consideration of the proposed amendment at a later time. The form of the proposed amendment to the Charter to effect the Share Increase is attached to this Proxy Statement as Annex A.

The amendment would increase the number of shares of common stock the Company is authorized to issue by 210,000,000 shares of common stock and would increase the number of authorized shares of common stock available for future issuance to 228,185,280. Thus, if this proposal is approved by our stockholders, our total authorized capital stock would increase from 96,000,000 to 306,000,000, with the number of authorized shares of our preferred stock remaining unchanged at 6,000,000. The additional shares of common stock proposed to be authorized under this proposal would have rights identical to our currently outstanding shares of common stock. This description is qualified in its entirety by reference to the complete text of the certificate of amendment to our Charter, which is attached as Annex A to this Proxy Statement and incorporated into this proposal by reference.

Reasons for Increasing the Number of Authorized Shares of Common Stock

Our Board believes that the increase in our authorized shares of common stock will provide us with the ability to support our future anticipated growth and would provide us with greater flexibility to consider and respond to future business opportunities and needs as they arise, including equity financings. The availability of additional shares of common stock would permit us to undertake certain of the foregoing actions without the delay and expense associate with holding a special meeting of our stockholders to obtain stockholder approval each time such an opportunity arises. Unless and until we can generate sufficient revenues, we expect to finance our cash needs in whole or in part through equity offerings. If the authorization of the Share Increase is postponed until the foregoing specific needs arise, the delay and expense incident to obtaining stockholder approval at that time could impair our ability to meet our objectives.

Possible Effects of Increasing the Number of Authorized Shares of Common Stock

Except for the conversion or exercise of outstanding convertible or exercisable securities (which conversion or exercise would be at the option of the respective holders) and the utilization of our at-the-market sales facility from time to time, we currently have no plans, proposals, arrangements, or understandings to issue any authorized but unissued shares of our common stock. However, these additional authorized shares could be used in the future for various purposes without further stockholder approval, except as such approval may be required in particular cases by our organizational documents, applicable law or the rules of any stock exchange or other system on which our securities may then be listed.

Notwithstanding the foregoing, authorized but unissued shares of common stock may enable our Board to render more difficult or to discourage an attempt to obtain control of the Company. One of the consequences of such an action would be to protect the continuity of or entrench our management. This may adversely affect the market price of our common stock. If, in the due exercise of its fiduciary obligations, for example, our Board were to determine that a takeover proposal were not in the best interest of the Company, such shares could be issued by the Board without stockholder approval in one or more private placements or other transactions that might prevent or render more difficult or make more costly the completion of any attempted takeover transactions by diluting voting or other rights of the proposed acquirer or insurgent stockholder group, by creating a substantial voting block in institutional or other hands that might support the position of the incumbent Board, by effecting an acquisition that might complicate or preclude the takeover, or otherwise. We have no current intention to issue shares for anti-takeover purposes.

Failure to approve this proposal could have adverse results for, and effects on, the Company. Without a reasonable amount of authorized shares available to us for issuance, we may not have the ability to raise additional capital, establish strategic relationships with other companies or expand our business or product lines through acquisition. In addition, our future success depends upon our ability to attract, retain and motivate highly-skilled scientific, commercial and managerial employees, and if this proposal is not approved by our stockholders, the lack of sufficient unissued and unreserved authorized shares of common stock to provide future equity incentive opportunities could adversely impact our ability to achieve these goals. Furthermore, given the decline in the price of our common stock, we may need additional shares of authorized common stock to satisfy our capital needs.

Effectiveness of Amendment

The Share Increase, if approved by our stockholders, would become effective upon the filing and effectiveness of the certificate of amendment, the form of which is attached hereto as Annex A, with the Secretary of State of the State of Delaware. All other sections of the Charter would be maintained in their current form. Such filing would take place only in the event the Board determines, following approval by our stockholders, that it remains in the best interest of the Company and its stockholders to effect the Share Increase. The exact timing of the filing of the amendment to effect the Share Increase, however, will be determined by our Board based on its evaluation as to when such action will be the most advantageous to the Company and our stockholders; provided, however, that the Share Increase amendment must be effective within one year after the conclusion of the Annual Meeting. In addition, our Board reserves the right, notwithstanding stockholder approval and without further action by the stockholders, to elect not to proceed with the Share Increase amendment if, at any time prior to the filing of the Share Increase amendment with the Secretary of State of the State of Delaware, our Board, in its sole discretion, determines that it is no longer in our Company's best interest or the best interest of our stockholders to proceed with the Share Increase.

Dissenters' Rights of Appraisal

Under Delaware law, stockholders are not entitled to appraisal rights with respect to the Share Increase, and we will not independently provide our stockholders with any such right.

Required Vote

The affirmative vote of a majority of the votes cast affirmatively or negatively is required to approve Proposal 5. Abstentions will have no effect on Proposal 5. Because the Share Increase is considered a

“routine” matter on which brokers may vote without specific instructions from the customer, no broker non-votes are expected in connection with this proposal.

Should this proposal be approved by our stockholders, the Board would, in its discretion, choose whether to implement it, subject to its discretion to determine that the proposal is not in the best interest of the Company or its stockholders.

Our Board of Directors unanimously recommends that stockholders vote “FOR” the proposal to approve the amendment to the Charter to implement the Share Increase, at our Board’s discretion.

**PROPOSAL 6:
ADJOURNMENT OF ANNUAL MEETING**

We are asking you to vote to approve one or more adjournments of the Annual Meeting to a later date or dates if necessary or appropriate to solicit additional proxies if there are insufficient votes to approve the Share Increase pursuant to Proposal 5 at the time of the Annual Meeting or if we do not have a quorum.

If our stockholders approve Proposal 6, we could adjourn the Annual Meeting and any reconvened session of the Annual Meeting and use the additional time to solicit additional proxies, including proxies from stockholders that have previously returned properly executed proxies voting against the approval of the Share Increase. Among other things, approval of Proposal 6 could mean that, even if we had received proxies representing a sufficient number of votes against the approval of the Share Increase such that the proposal to approve any such proposal would be defeated, we could adjourn the Annual Meeting without a vote on the approval of such proposal and seek to convince the holders of those shares to change their votes to votes in favor of approval of such proposal. Additionally, we may seek to adjourn the Annual Meeting if a quorum is not present.

Our Board believes that it is in the best interest of the Company and our stockholders to be able to adjourn the Annual Meeting to a later date or dates if necessary or appropriate for the purpose of soliciting additional proxies in respect of the approval of the Share Increase if there are insufficient votes to approve such proposal at the time of the Annual Meeting or in the absence of a quorum.

Required Vote

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for approval of Proposal 6. Abstentions will be counted toward the vote total for Proposal 6 and will have the same effect as “AGAINST” votes. Because adjournment of the Annual Meeting is considered a “routine” matter on which brokers may vote without specific instructions from the customer, no broker non-votes are expected in connection with this proposal.

Our Board of Directors unanimously recommends that stockholders vote “FOR” approval of the adjournment of the Annual Meeting, if necessary, to solicit additional proxies if there are insufficient votes at the time of the Annual Meeting to approve Proposal 5.

CORPORATE GOVERNANCE MATTERS

Information about our Board

Our Board of Directors currently comprises of seven members consisting of Drs. Ianchulev, Strahlman and Palanki and Messrs. Geltzeiler, Rowe and Mather and Ms. Jacobson. Each nominated director will be elected for a term of one year and will serve until a successor is duly elected and qualified or until his or her earlier death, resignation, or removal. Any additional directorships resulting from an increase in the number of directors or a vacancy may be filled by the directors then in office or the stockholders (as provided in our amended and restated bylaws).

As Executive Chairman, Dr. Ianchulev, has authority to, among other things, call and preside over meetings of our Board, set meeting agendas, and determine materials to be distributed to our Board. Accordingly, Dr. Ianchulev has substantial ability to shape the work of our Board. We believe Dr. Ianchulev possesses detailed and in-depth knowledge of the issues, opportunities, and challenges facing the Company and our business, and is well positioned to develop agendas that ensure our Board's time and attention are focused on critical matters.

Director Independence

Of our current directors, our Board of Directors has determined that Drs. Strahlman and Palanki, Messrs. Geltzeiler and Mather and Ms. Jacobson are "independent" under the Nasdaq listing rules, which is defined generally as a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship, which, in the opinion of our Board would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director.

Family Relationships

There is no family relationship between any director, executive officer, or person nominated to become a director or executive officer of the Company.

Selection of Nominees for our Board of Directors

The Nominating and Corporate Governance Committee of our Board is responsible for establishing the criteria for recommending which directors should stand for re-election to our Board and the selection of new directors to serve on our Board. In addition, the committee is responsible for establishing the procedures for our stockholders to nominate candidates to our Board. The committee has not formulated any specific minimum qualifications for director candidates, but has determined certain desirable characteristics, including educational background, diversity, knowledge of our business, integrity, professional reputation, independence, wisdom, and the ability to represent the best interests of our stockholders. Our Nominating and Corporate Governance Committee has not adopted a formal diversity policy in connection with the consideration of director nominations or the selection of nominees. However, the Nominating and Corporate Governance Committee will consider issues of diversity among its members in identifying and considering nominees for director, and strive where appropriate to achieve a diverse balance of backgrounds, perspectives, experience, age, gender, ethnicity and country of citizenship on our Board of Directors and its committees.

On February 4, 2022, the Company entered into a Settlement Agreement (the "Settlement Agreement") with Stuart M. Grant, a greater-than-5% stockholder of the Company. Pursuant to the Settlement Agreement, our Board of Directors appointed two new directors, Rachel Jacobson and Stephen Benjamin, to the Board to fill the vacancies on the Board at such time. Ms. Jacobson and Mr. Benjamin were nominated as directors at the 2022 annual meeting of stockholders and elected as directors at such meeting; Mr. Benjamin has since resigned from the Board to take a position at the White House. The Board of Directors has nominated Ms. Jacobson for re-election at the Annual Meeting. The Settlement Agreement has expired by its terms and is no longer in effect.

Our amended and restated bylaws permit any stockholder of record to nominate directors. Stockholders wishing to nominate a director must deliver written notice of the nomination either by personal delivery or by U.S. certified mail, postage prepaid, to the Corporate Secretary (i) with respect to an

election to be held at an annual meeting of stockholders, not more than 90 and not less than 60 days before the meeting at which directors are to be elected, and (ii) with respect to an election to be held at a special meeting of stockholders called for the purpose of the election of directors, not later than the close of business on the tenth (10th) business day following the date on which notice of such meeting is first given to stockholders.

Any such notice must set forth the following: (A) the name and address, as they appear on the Company's books, of (i) the stockholder who intends to make the nomination and the name and residence address of the person or persons to be nominated, and (ii) any Stockholder Associated Person (as defined below); (B) (i) any material interest in each director nomination of such stockholder or any Stockholder Associated Person, individually or in the aggregate, (ii) as to the stockholder or any Stockholder Associated Person, their holdings of our stock and whether the stockholder has entered into transactions to manage risk with respect to such stock, (iii) as to the stockholder and any Stockholder Associated Person, the name and address of such stockholder and Stockholder Associated Person, as they appear on the Company's stock ledger, and current name and address, if different, and (iv) to the extent known by the stockholder, the name and address of any other stockholder supporting the nominee for election as a director; (C) a representation that the stockholder is a holder of record of stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (D) a description of all arrangements or understandings between the stockholder and any Stockholder Associated Person and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; (E) such other information regarding each nominee proposed by such stockholder as would be required to be disclosed in solicitations of proxies for election of directors, or as would otherwise be required, in each case pursuant to Regulation 14A under the Exchange Act, including any information that would be required to be included in a proxy statement filed pursuant to Regulation 14A had the nominee been nominated by our Board of Directors; and (F) the written consent of each nominee to be named in a proxy statement and to serve as director of the Company if so elected. Our amended and restated bylaws define "Stockholder Associated Person" as (A) any person controlling, directly or indirectly, or acting in concert with, such stockholder, (B) any beneficial owner of our shares of stock owned of record or beneficially by such stockholder, and (C) any person controlling, controlled by, or under common control with such Stockholder Associated Person.

Our Nominating and Corporate Governance Committee will evaluate a nominee recommended by a stockholder in the same manner in which the committee evaluates nominees recommended by other persons as well as its own nominee recommendations.

Palanki and Strahlman, all of whom satisfy the independence requirements of Rules 5605(a)(2) and 5605(d) (2) of the Nasdaq listing rules. Our Compensation Committee met three times during the 2023 fiscal year.

The Compensation Committee's duties, which are specified in its charter, include, but are not limited to:

- reviewing and approving on an annual basis the corporate goals and objectives of the Company's executive compensation plans;
- evaluating our Chief Executive Officer's performance in light of our corporate goals and objectives, and determining and approving the remuneration (if any) of our Chief Executive Officer based on such evaluation;

The Compensation Committee may consider recommendations by our Chief Executive Officer regarding the Company's compensation and employee benefit plans and practices with respect to executive officers, other than the Chief Executive Officer, and the Company's director compensation arrangements. Pursuant to its written charter, the Compensation Committee has the authority to engage the services of outside advisors as it deems appropriate to conduct investigations into or studies of matters within the committee's scope of responsibilities. Additionally, the Compensation Committee has the authority to form subcommittees and may delegate to such subcommittees such power and authority as the committee deems appropriate; provided, however, that no subcommittee shall consist of fewer than two members.

The Compensation Committee's independent compensation consultant during fiscal year 2023 was Frederic W. Cook & Co., Inc. ("FW Cook"). FW Cook was engaged by the Compensation Committee, which had the sole authority to hire or fire FW Cook and to approve fee arrangements for work performed. FW Cook assisted the Compensation Committee in fulfilling its responsibilities under its charter, including advising on proposed compensation packages for executive officers, compensation program design and market practices generally. The Compensation Committee authorized FW Cook to interact with management on behalf of the Compensation Committee, as needed in connection with advising the Compensation Committee, and FW Cook was included in discussions with management and, when applicable, the Compensation Committee's outside legal counsel on matters being brought to the Compensation Committee for consideration.

It is the Compensation Committee's policy that the Chair of the Compensation Committee or the full Compensation Committee pre-approve any additional services provided to management by our independent compensation consultant. In fiscal year 2023, FW Cook only provided services for the Compensation Committee. The Compensation Committee has assessed the independence of FW Cook pursuant to SEC rules and concluded that FW Cook's services for the Compensation Committee does not raise any conflict of interest.

Innovation Committee

Our Innovation Committee consists of Dr. Strahlman (Chair), Ms. Jacobson, Dr. Palanki and Mr. Rowe. Since this is not a committee that is required by Nasdaq rules, it is not required to be comprised exclusively of directors who satisfy the independence requirements of Rule 5605(a)(2) of the Nasdaq listing rules. Our Innovation Committee met three times during the 2023 fiscal year.

The Innovation Committee assists the Board in its oversight of the strategic goals and objectives of the Company's innovation, product development and marketing strategies, consumer/market understanding and brand plans, technological initiatives and research, development and engineering programs. In the furtherance of this purpose, the Innovation Committee has the following authority and responsibilities, among others:

- reviewing significant emerging science and technology issues and trends relevant to the Company's businesses.

The Innovation Committee has a charter, which will be reviewed annually.

Risk Oversight

While the Company's senior management has responsibility for the management of risk, our Board of Directors plays an important role in overseeing this function. Our Board reviews our market and business risks during its meetings and, since its formation, each of its committees oversees risks associated with its respective area of responsibility. In particular, the Audit Committee oversees risk related to our accounting, tax, financial, and public disclosure processes. It also assesses risks associated with our financial assets. The Compensation Committee oversees risks related to our compensation and benefit plans and policies to ensure sound pay practices that do not cause risks to arise that are reasonably likely to have a material adverse effect on the Company. Our Nominating and Corporate Governance Committee seeks to minimize risks related to our governance structure by implementing sound corporate governance principles and practices. Each of the Board's committees reports to the full Board as appropriate on its efforts at risk oversight and on any matter that rises to the level of a material or enterprise level of risk.

ESG Oversight

At the Board level, we have reviewed and previously amended the charters of the Nominating and Corporate Governance Committee, Compensation Committee and Audit Committee to include within each committee's purpose, duties and responsibilities oversight of our environmental, social and governance ("ESG") practices and policies. Each committee's specific duties and responsibilities in this regard will include reviewing, monitoring, evaluating and overseeing the Company's programs, policies and practices relating to ESG risks, opportunities and impacts to support the sustainable growth of the Company's business, as it relates to each such committee's duties and responsibilities, and making recommendations to the Board of Directors regarding the Company's overall strategy with respect to ESG matters.

Code of Conduct

We have adopted a written code of business conduct and ethics that applies to all of our directors, officers, and employees, including our principal executive officer, principal financial officer, and principal accounting officer or controller, or persons performing similar functions, and agents and representatives.

The full text of our code of business conduct and ethics is available under the *Investors — Governance — Documents & Charters* section of our website at www.eyenovia.com. Our Board of Directors is responsible for overseeing our code of business conduct and ethics and any waivers applicable to any director, executive officer, or employee. We intend to disclose future amendments to certain provisions of our code of business conduct and ethics, or waivers of such provisions applicable to our directors, officers, and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, and agents and representatives, on our website identified above.

Hedging and Pledging Transactions

Under our Insider Trading Policy, we strongly discourage our employees (including our named executive officers) and our directors from hedging our securities, holding shares of our common stock in a margin account, or pledging shares of our common stock as collateral for a loan.

Stockholder Communications with our Board of Directors

Stockholders who wish to communicate with members of our Board of Directors, including the independent directors individually or as a group, may send correspondence to them in care of our Corporate Secretary at our principal executive office at 295 Madison Avenue, Suite 2400, New York, NY 10017. Such communication will be forwarded to the intended recipient(s). We currently do not intend to have our Corporate Secretary screen this correspondence, but we may change this policy if directed by our Board due to the nature or volume of the correspondence.

EXECUTIVE COMPENSATION

The following discussion relates to the compensation of Michael Rowe (our Chief Executive Officer), John P. Gandolfo (our Chief Financial Officer) and Bren Kern (our Chief Operating Officer), each a “named executive officer” for 2023.

Key Elements of Our Compensation Program for 2023

In 2023, we compensated our named executive officers through a combination of base salary and long-term equity incentives in the form of options. Our named executive officers are also eligible for our standard benefits programs, which include group health insurance and vacation programs.

We do not use specific formulas or weightings in determining the allocation of the various compensation elements. Instead, the compensation for our named executive officers has been designed to provide a combination of fixed and at-risk compensation that is tied to the achievement of our short- and long-term objectives. We believe that this approach achieves the primary objectives of our compensation program.

We are continually evaluating various compensation programs to implement as our business evolves. The disclosures below describe our historical compensation practices.

The following table sets forth information regarding compensation awarded to, earned by or paid to our named executive officers for fiscal years ended December 31, 2023 and 2022. The Company does not have any non-equity incentive plans or awards.

Termination of Employment Agreements

The Rowe Employment Agreement discussed above provides the following upon termination of Mr. Rowe's employment:

Termination by Company for Cause; by Company without Cause or by Executive without Good Reason within Executive's First Six (6) Months of Employment; or as a Result of Executive's Disability or Death. If Mr. Rowe's employment is terminated by us for Cause (as defined in the Rowe Employment Agreement), by us without Cause within Mr. Rowe's first six months of employment, by Mr. Rowe without Good Reason (as defined in the Rowe Employment Agreement), or as a result of Mr. Rowe's Disability (as defined in the Rowe Employment Agreement) or death, then we must pay the portion of Mr. Rowe's base salary that has accrued prior to such termination and has not yet been paid, any bonus previously earned by Mr. Rowe but not yet paid, any accrued and unused vacation or sick leave, and the amount of any expenses properly incurred by Mr. Rowe prior to any such termination and not yet reimbursed (collectively, the "Accrued Obligations") promptly following the effective date of such termination, subject to certain exceptions.

Termination by Company without Cause or by Executive for Good Reason Following Executive's First Six (6) Months of Employment. In the event that Mr. Rowe's employment is terminated by us other than for Cause, Disability or death at any time after Mr. Rowe's first six months of employment as CEO, then, in addition to the Accrued Obligations, Mr. Rowe is entitled to receive the following, subject to certain terms and conditions:

- *Severance Payment.* Payment in an amount equal to Mr. Rowe's base salary for a 12 month period, less customary and required taxes and employment-related deductions, paid in one lump sum amount.
- *Benefits.* health insurance coverage at no cost to Mr. Rowe, until the earlier to occur of 12 months following the termination date or the date Mr. Rowe elects to participate in the group health plan of another employer.

The Gandolfo Employment Agreement discussed above provides that if Mr. Gandolfo's employment is terminated by the Company without "Cause" (as defined in the Company's 2018 Omnibus Stock Incentive Plan (the "2018 Plan")) or Mr. Gandolfo suffers an "Involuntarily Termination" (as defined in the Gandolfo Employment Agreement) provided that Mr. Gandolfo has signed a full release of all claims, Mr. Gandolfo will be entitled to receive: (i) severance pay equal to twelve months of his then-current base salary, and (ii) a reimbursement for health insurance benefits under COBRA for him and his spouse and dependents for a period of twelve months or until he becomes eligible for comparable insurance benefits from another employer, whichever is earlier.

As defined in the 2018 Plan, "Cause" means (with all other terms as defined in the 2018 Plan), with respect to the termination by the Company or a Related Entity of a Grantee's Continuous Service: (i) that such termination is for "Cause" as such term (or word of like import) is expressly defined in a then-effective written employment agreement, consulting agreement, service agreement or other similar agreement between the Grantee and the Company or such Related Entity, provided, however, that with regard to any agreement that defines "Cause" on the occurrence of or in connection with a Corporate Transaction, such definition of "Cause" shall not apply until a Corporate Transaction actually occurs; or (ii) in the absence of such then-effective written agreement and definition, is based on, in the determination of the Administrator: (A) the Grantee's performance of any act, or failure to perform any act, in bad faith and to the detriment of the Company or a Related Entity; (B) the Grantee's dishonesty, intentional misconduct or material breach of any agreement with the Company or a Related Entity; (C) the Grantee's material breach of any noncompetition, confidentiality or similar agreement with the Company or a Related Entity, as

determined under such agreement; (D) the Grantee's commission of a crime involving dishonesty, breach of trust, or physical or emotional harm to any person; (E) if the Grantee is an Employee or Consultant, the Grantee's engaging in acts or omissions constituting gross negligence, misconduct or a willful violation of a Company or a Related Entity policy which is or is reasonably expected to be materially injurious to the Company and/or a Related Entity; or (F) if the Grantee is an Employee, the Grantee's failure to follow the reasonable instructions of the Board or such Grantee's direct supervisor, which failure, if curable, is not cured within 10 days after notice to such Grantee or, if cured, recurs within 180 days.

As defined in the Gandolfo Employment Agreement, "Involuntary Termination" means the occurrence of any of the following without the written consent of Mr. Gandolfo: (i) a material diminution in Mr. Gandolfo's Base Salary, Bonus target or benefits (other than a material diminution that is applicable to all similarly situated employees and executives of the Company in connection with an across-the-board cost savings strategy); (ii) a material diminution in Mr. Gandolfo's authority, duties or responsibilities; (iii) a material diminution in the level of Mr. Gandolfo's reporting structure, including a requirement that Mr. Gandolfo report to a corporate officer or employee instead of reporting directly to the CEO; or (iv) any other action or inaction that constitutes a material breach by the Company of the Gandolfo Employment Agreement.

The Kern Employment Agreement discussed above provides the following upon termination of Mr. Kern's employment:

Termination by Company for Cause; by Company without Cause or by Executive without Good Reason within Executive's First Six Months of Employment; or as a Result of Executive's Disability or Death. If Mr. Kern's employment hereunder is terminated by us for Cause (as defined in the Kern Employment Agreement), by us without Cause within Mr. Kern's first six months of employment, by Mr. Kern without Good Reason (as defined in the Kern Employment Agreement), or as a result of Mr. Kern's Disability (as defined in the Kern Employment Agreement) or death, then we must pay the portion of Mr. Kern's base salary that has accrued prior to such termination and has not yet been paid, any accrued and unused vacation or sick leave, and the amount of any expenses properly incurred by Mr. Kern prior to any such termination and not yet reimbursed (collectively, the "Accrued Obligations") promptly following the effective date of such termination, subject to certain exceptions.

Termination by Company without Cause or by Executive for Good Reason Following Executive's First Six Months of Employment. In the event that Mr. Kern's employment is terminated by us other than for Cause, Disability or death or by Mr. Kern for Good Reason at any time after Mr. Kern's first six months of employment as our Chief Operating Officer, then, in addition to the Accrued Obligations, Mr. Kern will receive the following, subject to certain terms and conditions:

- *Severance Payment.* Payment in an amount equal to Mr. Kern's base salary for a 12-month period, less customary and required taxes and employment-related deductions, paid in one lump sum amount.
- *Benefits.* Health insurance coverage at no cost to Mr. Kern, until the earlier to occur of 12 months following the termination date or the date Mr. Kern elects to participate in the group health plan of another employer.

Change in Control Provision of Employment Agreements

The Rowe Employment Agreement and the Gandolfo Employment Agreement also provide that if within 12 months following any "Corporate Transaction" (as defined in the 2018 Plan) of the Company, the executive's employment is terminated by the Company without Cause or the executive suffers an Involuntary Termination (as defined in the employment agreements), provided that the executive has signed a full release of all claims, the executive will be entitled to receive, in lieu of what is described above: (i) severance pay equal to 12 months of his then-current base salary, and (ii) a reimbursement for health insurance benefits under COBRA for the executive and his spouse and dependents for a period of 12 months or until the executive becomes eligible for comparable insurance benefits from another employer, whichever is earlier.

As defined in the 2018 Plan, a “Corporate Transaction” means any of the following transactions, provided, however, that the Administrator shall determine under parts (iv) and (v) whether multiple transactions are related, and its determination shall be final, binding and conclusive: (i) a merger or consolidation in which the Company is not the surviving entity, except for a transaction the principal purpose of which is to change the state in which the Company is incorporated; (ii) the sale, transfer or other disposition of all or substantially all of the assets of the Company; (iii) the complete liquidation or dissolution of the Company; (iv) any reverse merger or series of related transactions culminating in a reverse merger (including, but not limited to, a tender offer followed by a reverse merger) in which the Company is the surviving entity but (A) the Shares outstanding immediately prior to such merger are converted or exchanged by virtue of the merger into other property, whether in the form of securities, cash or otherwise, or (B) in which securities possessing more than 50% of the total combined voting power of the Company’s outstanding securities are transferred to a person or persons different from those who held such securities immediately prior to such merger or the initial transaction culminating in such merger; or (v) acquisition in a single or series of related transactions by any person or related group of persons (other than the Company or by a Company-sponsored employee benefit plan) of beneficial ownership (within the meaning of Rule 13d-3 of the Exchange Act) of securities possessing more than 50% of the total combined voting power of the Company’s outstanding securities.

The Kern Employment Agreement provides that if, within a period of 30 days prior to or 12 months following a Change of Control of the Company, Mr. Kern’s employment is terminated by the Company without Cause or by Mr. Kern for Good Reason, provided that Mr. Kern has signed a separation agreement including a full release of all claims, Mr. Kern will be entitled to receive, in lieu of what is described above: (i) severance pay equal to 12 months of his then-current base salary, and (ii) medical insurance coverage at no cost for a period of 12 months or until Kern elects to participate in the group health plan of another employer, whichever is earlier.

As defined in the Kern Employment Agreement, a “Change of Control” means the occurrence of any of the following events: (i) a merger or consolidation of Company, whether or not approved by the Board, other than a merger or consolidation which would result in the voting securities of Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or the parent of such entity) more than 50% of the total voting power represented by the voting securities of Company or such surviving entity or parent of such entity, as the case may be, outstanding immediately after such merger or consolidation; (ii) the acquisition of more than 50% of the voting power of the outstanding securities of the Company by one or more other entities, unless the Company’s stockholders of record immediately prior to such acquisition will, immediately after such acquisition, hold at least 50% of the voting power of the Company, provided that a bona fide equity financing that the Board approves does not constitute a Change of Control; or (iii) the sale or disposition by Company of all or substantially all of Company’s assets in a transaction requiring Board approval.

Pay Versus Performance

As required by Item 402(v) of Regulation S-K, the following table and related disclosure provide information about (i) the “total compensation” of our Principal Executive Officers (“PEOs”), and our other named executive officers (the “Other NEOs” or the “Non-PEO NEOs”) as presented in the “Summary Compensation Table” included elsewhere in this proxy statement, (ii) the “compensation actually paid” to our PEOs and our Other NEOs, as calculated pursuant to the SEC’s pay-versus-performance rules, (iii) certain financial performance measures and (iv) the relationship of the “compensation actually paid” to those financial performance measures.

This disclosure has been prepared in accordance with Item 402(v) of Regulation S-K under the Exchange Act, and does not necessarily reflect value actually realized by the executives or how our Compensation Committee evaluates compensation decisions in light of company or individual performance.

- (1) In 2022, each of Mr. Rowe and Mr. Ianchulev served as our PEO for part of the year. Mr. Rowe served as our only PEO in 2023. The Non-PEO NEOs for whom the average compensation is presented in this table for 2023 are Mr. Gandolfo and Mr. Kern and for 2022 is Mr. Gandolfo.
- (2) The amounts shown as Compensation Actually Paid have been calculated in accordance with Item 402(v) of Regulation S-K and do not reflect compensation actually realized or received by the Company’s NEOs. These amounts reflect total compensation as set forth in the Summary Compensation Table for each year, adjusted as described in footnote 3 below.
- (3) Compensation Actually Paid reflects the exclusions and inclusions for the PEOs and the Non-PEO NEOs set forth below. Amounts excluded, which are set forth in the table below, represent the Stock Awards and Option Awards reported in the Stock Awards and Option Awards columns of the Summary Compensation Table for each applicable year. Amounts added back to determine Compensation Actually Paid are made up of the following components, which are set forth in the table below, as applicable: (i) the fair value as of the end of the fiscal year of outstanding and unvested equity awards granted in that year; (ii) the change in fair value during the year of equity awards granted in prior years that remained outstanding and unvested at the end of the year; (iii) the fair value as of the vesting date of equity awards that were granted and vested in that year; and (iv) the change in fair value during the year through the vesting date of equity awards granted in prior years that vested during that year. The fair value at the end of the prior year of awards granted in any prior year that failed to meet applicable vesting conditions during the covered year would be subtracted, but there were no such awards for the PEOs or the Non-PEO NEOs in 2022 or 2023. Equity values are calculated in accordance with ASC Topic 718.
- (4) Reflects the cumulative shareholder return over the relevant fiscal year, computed in accordance with SEC rules. The value in this column is the value at the end of each applicable year assuming a \$100

investment was made in Eyenovia common stock on December 31, 2021. The closing price of our common stock on December 31, 2021 was \$4.00, the closing price of our common stock on December 31, 2022 was \$1.63, and the closing price of our common stock on December 31, 2023 was \$2.08.

In accordance with the requirements of Item 402(v) of Regulation S-K, the following table details the adjustments to the Summary Compensation Table to determine “compensation actually paid” for the PEOs and NEOs. The dollar amounts do not reflect actual compensation earned by or paid to our PEOs and NEOs during the applicable year.

Dr. Ianchulev’s “compensation actually paid” was \$0.7 million for the year ended December 31, 2022, and Mr. Rowe’s “compensation actually paid” was \$1.3 million and \$1.2 million for the years ended December 31, 2022 and 2023, respectively. The average “compensation actually paid” to our Other NEOs was \$0.6 million and \$0.7 million for the years ended December 31, 2022 and 2023, respectively. Our TSR increased from December 31, 2022 to December 31, 2023; “compensation actually paid” to our PEOs decreased between 2022 and 2023; and average “compensation actually paid” to our Other NEOs increased between 2022 and 2023.

Comparison of “Compensation Actually Paid” to Net Income (Loss)

Our net loss was approximately \$28.0 million in 2022 and \$27.2 million in 2023. Dr. Ianchulev’s “compensation actually paid” was \$0.7 million for the year ended December 31, 2022, and Mr. Rowe’s “compensation actually paid” was \$1.3 million and \$1.2 million for the years ended December 31, 2022 and 2023, respectively. The average “compensation actually paid” to our Other NEOs was \$0.6 million and \$0.7 million for the years ended December 31, 2022 and 2023, respectively. Our net loss decreased over the two years reported; “compensation actually paid” to our PEOs decreased between 2022 and 2023; and average “compensation actually paid” to our Other NEOs increased between 2022 and 2023.

We do not utilize TSR or net income (loss) as performance measures in our executive compensation program; however, we do utilize other performance measures to align executive compensation with the Company’s performance.

CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS

Below are transactions since January 1, 2022 to which we have been or are a participant, including currently proposed transactions, in which the amount involved in the transaction exceeds \$120,000 and in which any of our directors, executive officers, or beneficial holders of more than 5% of any class of our capital stock, or any immediate family member of, or person sharing the household with any of these individuals, had or has a direct or indirect material interest.

License Agreement with Senju Pharmaceutical Co., Ltd.

In 2015, the Company entered into an exclusive license agreement with Senju (the “Senju License Agreement”) whereby the Company agreed to grant to Senju an exclusive, royalty-bearing license for its microdose product candidates for Asia to sublicense, develop, make, have made, manufacture, use, import, market, sell, and otherwise distribute the microdose product candidates. In consideration for the license, Senju agreed to pay to Eyenovia 5% royalties on sales (net of certain manufacturing costs) for the term of the Senju License Agreement, subject to certain adjustments upon the loss of patent coverage for the term of the license agreement. The agreement will continue in full force and effect, on a country-by- country basis, until the latest to occur of: (i) the 10th anniversary of the first commercial sale of such a product candidate in a country; or (ii) the expiration of the licensed patents in a country. As of the date of this proxy statement, there have been no commercial sales of such a product in Asia; therefore, no royalties have been earned. Senju is owned by the family of a former member of the Company’s Board of Directors and, together, they beneficially owned greater than 5% of the Company’s common stock during a portion of the fiscal year ended December 31, 2022.

On April 8, 2020, Eyenovia entered into an amendment (the “Senju License Amendment”) to the Senju License Agreement. Pursuant to the Senju License Amendment, the Company can license to any third party the right to research, develop, commercialize, manufacture or use certain products identified below (the “Senju Licensed Products”) previously licensed to Senju in China (including the People’s Republic of China, Hong Kong, Macao, and Taiwan) and South Korea (the “Territory”) in the agreement executed by the Company on April 8, 2021. The Senju Licensed Products are those using piezo-print technology in a microdose dispenser with (i) atropine sulfate as its sole active ingredient to treat myopia in humans and (ii) pilocarpine as its sole active ingredient to treat presbyopia in humans.

Pursuant to the Senju License Amendment, the Company must pay Senju (a) a percentage in the range of 30-40% of revenue on any lump-sum payments the Company receives from the third party, revenue (net of costs) obtained by the Company from contract research and/or development of the Senju Licensed Product in the Territory, and revenue (net of costs) obtained by the Company from contract manufacture for the device of the Senju Licensed Product in the Territory, the aggregate of which must be at least a \$9 million minimum payment to Senju; and (b) a percentage in the range of 30-40% of any sales royalty revenue the Company receives from the third party. Since the Company executed a third-party license prior to April 8, 2021, the License Amendment will remain in effect for the duration of the license, subject to early termination.

The Senju License Agreement was further amended in a Letter Agreement by and between the Company and Senju on August 10, 2020 (the “Letter Agreement”). Pursuant to the Letter Agreement, the Company will pay a percentage in the range of 30-40% of certain payments, royalties, or net proceeds received from Arctic Vision in connection with the Arctic Vision License Agreement to Senju. The Senju License Agreement was amended further by the License Amendment 2, effective September 14, 2021 (the “Amendment 2”). The Amendment 2 excludes Greater China and South Korea from the territory in which Senju was granted an exclusive royalty-bearing license from the Company. In consideration for this exclusion, and upon and after the execution of Amendment 1 with Arctic Vision, the Company must make payments to Senju based on non-royalty license revenue and sales revenue, including the following:

1. a one-time upfront payment of \$250,000, paid on September 17, 2021, which represented an inducement to Senju to approve Amendment 1 of the Arctic Vision License Agreement related to the Company’s MicroStat product;
2. a percentage in the range from 30-40% of any upfront or milestone lump sum payments, or net revenues received by the Company in connection with any licensed product using piezo-print

technology in a microdose dispenser containing: (a) the chemical substance atropine sulfate as its sole active ingredient and that is used for the treatment of myopia in humans; (b) the chemical substance pilocarpine as its sole active ingredient and that is used for the treatment of presbyopia in humans; or (c) the chemical substances phenylephrine and tropicamide in combination as active ingredients that are used for pharmaceutical mydriasis in humans (the “LA2 Licensed Product”) from certain third parties; and

3. a percentage in the range from 30-40% of the amounts received by the Company in connection with sales of the LA2 Licensed Product in China and South Korea by certain third parties.

Indemnification Agreements

Our Charter and our amended and restated bylaws provide that we shall indemnify our directors and officers to the fullest extent permitted by law. We also maintain a directors’ and officers’ liability insurance policy. The policy insures directors and officers against unindemnified losses arising from certain wrongful acts in their capacities as directors and officers and reimburses us for those losses for which we have lawfully indemnified the directors and officers. The policy contains various exclusions. We have also entered into director indemnification agreements with each of our directors.

Employment and Consulting Arrangements

We have entered into employment and consulting arrangements with our named executive officers that provide for salary and severance compensation. For more information regarding these arrangements and amounts earned pursuant to them, see “*Executive Compensation — Employment and Consulting Arrangements*” and the “*Summary Compensation Table*” above.

Equity Issued to Executive Officers and Directors

We granted options and restricted stock units to our named executive officers and directors in 2023, as more fully described in the “*Outstanding Equity Awards as of December 31, 2023*” table and “*Director Compensation*” above.

Agreement with Stuart Grant

On February 4, 2022, the Company entered into a Settlement Agreement (the “Settlement Agreement”) with Stuart M. Grant, a greater-than-5% stockholder of the Company. Pursuant to the Settlement Agreement, our Board of Directors appointed two new directors, Rachel Jacobson and Stephen Benjamin, to the Board to fill the vacancies on the Board at such time. Ms. Jacobson and Mr. Benjamin were nominated as directors at the 2022 annual meeting of stockholders and elected as directors at such meeting; Mr. Benjamin has since resigned from the Board to take a position at the White House. The Board of Directors has nominated Ms. Jacobson for re-election at the Annual Meeting. The Settlement Agreement has expired and is no longer in effect.

Procedures for Approval of Related-Party Transactions

The Audit Committee, pursuant to its written charter and our Related Party Transaction Policy, is responsible for reviewing and approving or ratifying any related-party transaction reaching a certain threshold of significance. In the course of its review and approval or ratification of a related-party transaction, the committee, among other things, considers, consistent with Item 404 of Regulation S-K, the following:

- whether the transaction was undertaken in the ordinary course of business;
- whether the transaction was initiated by the Company or the related person;
- whether the terms of the transaction are fair to the Company and on the same basis as would apply if the transaction did not involve the related person;
- whether there are business reasons for the Company to enter into the transaction;

- the approximate dollar value of the transaction, and the significance of that amount, particularly as it relates to the related person;
- whether the transaction would impair the independence of an outside director;
- any pre-existing contractual obligations; and
- whether the transaction would present an improper conflict of interest for any director or executive officer of the Company, taking into account the size of the transaction, the overall financial position of the director, executive officer, or the related person, the direct or indirect nature of the director's, executive officer's, or the related person's interest in the transaction and the ongoing nature of any proposed relationship, and any other factors the Audit Committee deems relevant.

Any member of the Audit Committee who is a related person with respect to a transaction under review will not be permitted to vote or participate in discussions regarding approval or ratification of the transaction, but must provide all material information regarding the transaction to the Audit Committee.

Future transactions between us and our officers, directors, or 5% stockholders, and respective affiliates will be on terms that the committee determines in good faith to be in the best interests of the Company and its stockholders and will be approved by a majority of our directors who do not have an interest in the transactions and who had access, at our expense, to our legal counsel or independent legal counsel.

To the best of our knowledge, since January 1, 2022, other than as set forth above, there were no material transactions, or series of similar transactions, or any currently proposed transactions, or series of similar transactions, to which we were or are to be a party, in which the amount involved exceeds \$120,000, and in which any director or executive officer, or any security holder who is known by us to own of record or beneficially more than 5% of any class of our common stock, or any member of the immediate family of any of the foregoing persons, has an interest (other than compensation to our officers and directors in the ordinary course of business).

STOCKHOLDER PROPOSALS

Stockholders may present proposals for action at meetings of stockholders only if they comply with the proxy rules established by the SEC and applicable Delaware law. We have not received any stockholder proposals for consideration at our Annual Meeting.

Under Rule 14a-8 under the Exchange Act, in order for a stockholder proposal (other than for director nominations) to be included in our proxy solicitation materials for the 2025 annual meeting of stockholders, it must be delivered to our principal executive offices located at 295 Madison Avenue, Suite 2400, New York, NY 10017 by [•], 2025. To be considered for presentation at the 2025 annual meeting of stockholders, although not included in the proxy statement, proposals (other than for director nominations) must be delivered to our principal executive offices not less than 90 days nor more than 120 days prior to the one-year anniversary of this year's annual meeting; provided, however, that if the date of the 2025 annual meeting is more than 30 days before or 60 days after June 12, 2025, notice by the stockholder must be delivered not later than the close of business no earlier than the 120th day prior to the 2025 annual meeting or the later of (1) the 90th day prior to the 2025 annual meeting or (2) the 10th day following the first public announcement of the date of the 2025 annual meeting.

Delaware law permits any stockholder of record to nominate directors. Stockholders wishing to nominate a director must deliver written notice of the nomination either by personal delivery or by U.S. certified mail, postage prepaid, to the Corporate Secretary (i) with respect to an election to be held at an annual meeting of stockholders, not more than 90 and not less than 60 days before the meeting at which directors are to be elected, and (ii) with respect to an election to be held at a special meeting of stockholders called for the purpose of the election of directors, not later than the close of business on the 10th business day following the date on which notice of such meeting is first given to stockholders. Stockholder notices must comply with Rule 14a-19 under the Exchange Act and set forth the specific information as more fully described in our amended and restated bylaws and in *"Corporate Governance — Selection of Nominees for our Board of Directors"* above.

Management's proxy holders for the next annual meeting of stockholders will have discretion to vote proxies given to them on any stockholder proposal of which the Company does not have notice prior to [•], 2025 (or a reasonable time before we begin to distribute the proxy materials for the 2025 annual meeting of stockholders if the date of the 2025 annual meeting of stockholders is changed by more than 30 days from the one-year anniversary of this year's Annual Meeting).

HOUSEHOLDING MATTERS

The SEC has adopted rules that permit companies to deliver a single Notice of Internet Availability or a single copy of proxy materials to multiple stockholders sharing an address unless a company has received contrary instructions from one or more of the stockholders at that address. This means that only one copy of our 2023 Annual Report to Stockholders, this Proxy Statement and Notice of Internet Availability may have been sent to multiple stockholders in your household. Upon written or oral request to the Corporate Secretary, we will provide a separate copy of our 2023 Annual Report to Stockholders, this Proxy Statement and Notice of Internet Availability. In addition, stockholders at a shared address who receive multiple copies of our 2023 Annual Report to Stockholders, Notice of Internet Availability, or this Proxy Statement may request to receive a single copy of our 2023 Annual Report to Stockholders, this Proxy Statement or Notice of Internet Availability in the future in the same manner as described above.
